Special Individual Division Rules

Coed Division Special Rules

Always a Force at Home Plate/Commitment Line

- A line will be pre-chalked or drawn by the Umpire. Roughly 1 foot out from the left edge of the batter's box and extend 6-8ft.
- A defensive player with the ball may merely touch home plate for a force out, no matter how many runners are on base in order to be called safe a player must.
 1. Cross the line by home plate and
 2. Either has his/her foot down on any part of the line or have the foot down past the line
 3. The foot must be down prior to the defensive player, in possession of the ball, touching home plate.

Positioning of Players

- 5 males & 5 Females, 6 males & 4 Females or 4 Females & 6 Males on the field, can be in any position. You must have at least 4 outfielders when playing defense. **NO 5 INFELDERS.**

Encroachment Line

- A line is set at 200ft in the outfield at WVO Softball Complex, DeMarini (#1) & Delta #7. At all other fields, may be set at approximately 175ft
- Encroachment Line will be used when ANY PLAYER is up at bat, the outfielder is not allowed to cross the encroachment line until the ball has been hit.
- If the outfielder crosses the line prior to the ball being hit, it would be a delayed dead ball. The team batting would have the option of taking the result of the play or the batter is awarded a base hit, all runners will move, if forced.

Walk Rule

- A walk to a male batter will result in a two-base award. The next batter (a female) shall bat. The ball is dead on the walk.
- Exception- with 2 outs, the female has the option to walk or to bat.
- Should the female batter/runner pass a male batter/runner when choosing to walk, no out shall be called during the dead ball period.
- A male batter/runner advancing to 2nd without touching 1st base shall be called out, if properly appealed.

Batting the Wheel

- If you have 5 players of one gender, you must play all 5 of those players.
- The wheel batting order will be used if a team has an uneven number of men and women players, after the initial 5 and 5 gender ratio. EXAMPLE- You have more men than women, after the initial 5 and 5 minimum.
- **NEW-** The Wheel formation will be used if a team is shorthanded of players FOR EXAMPLE- **4 females /6 males or 4 males/ 6 females** OR 4 females/5 males or 5 males/4 females etc. **without taking an out.**
- Format- Batting order must always alternate male/female or vice versa. A batter will follow the person of the same gender throughout the game. Once all batters on one gender have batted that gender line-up starts over.
- Players arriving late can be added to the bottom of the line-up with no penalty.

Non-Binary line up-

Any persons identifying as non-Binary will bat between 2 females in a non-binary batting position. Defensively need to have 5 females, 4 males and 1 non-binary.
